THE BAISLEY FOUNDATION

College Grant Program Overview

Connecticut & New York

Helping students continue their education and complete their degrees

The Baisley Foundation is dedicated to supporting the academic and personal success of undergraduate students who are committed to completing their college education. We provide financial assistance to help reduce educational barriers and help students stay focused on their academic goals.

$2,500–$12,000

GRANT AWARDS

Awards are subject to eligibility, demonstrated financial need, available funding, and Foundation criteria.

Who May Qualify?

- **Undergraduate enrollment:** Currently enrolled at an accredited two-year or four-year college or university.
- **Completed college study:** Successfully completed at least one full academic year of college.
- **Academic achievement:** Minimum cumulative GPA of 3.0, with good academic standing.
- **Enrollment plans:** Enrolled full-time or part-time, as defined by the institution, with plans to continue into the upcoming academic year.
- **Financial need:** Demonstrates financial need through the application and supporting documentation.
- **Commitment:** Shows motivation and commitment to completing a college degree.

How Grant Funds May Be Used

Grant funds must be used for qualified educational expenses, which may include tuition, required fees, books, and other approved academic costs, consistent with Foundation requirements.

How to Apply

1. Review the eligibility requirements and application instructions online.
2. Prepare the required application information and supporting documents, including an official transcript and financial-need information as requested.
3. Submit the application by the deadline published by the Foundation.
